Defendant

DEFENDANT'S POSITION IN AID OF SENTENCING

EXHIBIT 2

LETTER TO THE COURT FROM THE DEFENDANT'S FAMILY

Sir Judge Hudson

Hereby I can tell you I am Max's Alberto Estrada Linares daughter, but I call him daddy chulo. He has 5 daughters, the baby's name is Tessa, the next ones is Yazel, then me and lastly my oldest sister Nahomy. As his daughter I spent most of the time with him, I miss him so much with my heart. We created a game with my sisters. We called it "tickle monster," where he was the monster and when he caught us the others had to help to tickle him and free us.

I regret for not taking the advantage to kiss, hug, him; play when had the chance. When my father gets released I will seriously use the time to be with him always and not let him go.

I just want to tell you something that happened to me on my way to my car, I fell asleep for a few minutes and when I woke up I heard a voice that told me "I took him on September and you will get him back on September." I hope your position changes with this letter.

Sincerely: Ashly Estrada "daughter" To: Judge Hudson

Thank you so much for your generosity.

Sir Judge hereby I want to request getting my father out of that place. First, I want to say that we all in the family miss and love him, and still at the house there is a baby, Tessa, who has yet not met my father and at least we had the time to live with our father and Tessa needs to see a paternal figure and you do not know how much it hurts me and my family not to have him in our home, an important part of the family and I do not know how to express the emptiness that there is in my heart.

Madisson lazel Estada Rumo Carta # 9 señor Juez por medio de esta carta le quiero pedir que sague a mi papa de ese lugar primero quiero decir que todos en la familia lo extrañamos y amamos y aún en la casa hay una belpé Tessa que no ha conocido bien a mi papar y almenos nosotras tuvimos tiempo para convivir con nuestro padre y Tessa necesita ver a una figura paterna 4 no sabe cuanto nos duele a mi tamilia y yo no tener en nuestra casa a una parte muy importante de la familia 9 no se como expresar el vasio que hay en mi corazón.

Madison Yazel Estrada Ruano Letter # 2

Sir Judge I know that my father was not a perfect father but the time he has been in there is enough so he could understand that a family is the biggest gift God could have given him. And you do not know what I thought when was writing this letter, I was crying trying to be strong enough to convince you about my father; you do not know how much pain and burning I am going through so I say bye to you. I HOPE YOU UNDERSTAND.

Sir Judge

I respectfully direct to you this letter.

I am Max's sister asking you from the bottom of my heart that before you sentence him please consider his family left behind, wife and daughters. I am the sister and I miss him so much. He was my support and the father I never had. He has been always looking after me, and my 3 children. I miss him; his life is just like mine. He is my father and my brother. I beg you through this means that as God has mercy on us as sinners, please consider the ones who are here and miss him. He is the head and sustenance of this family. I beg you as human being that as a father, husband and brother understand that we are not perfect and deserve an opportunity because only God is perfect and his word says that He who is without sin, let him throw a stone at first. Only God can judge us, please your honor have mercy on us, and with God in your hands it's our lives as a family.

Sir Judge Respectfully
